12. Treatment of low blood sugar (Simple Sugars that do not require refrigeration are preferred):

For example, include ANY of the following or other choice:

- 2-3 pack of Glucose tablets
1-2 Small tube of cake icing
3-4 Lifesavers (5/roll)
9-12 Peppermints (soft peppermints preferred)
1-2 Fruit Roll-ups /gummies
2-3 Small box(s) of raisins
3-6 Sugar packets
2-3 6 oz. boxed or cans of juice

Carbohydrate and protein snacks: Example: 2-3 Packs of Peanut Butter/Cheese Crackers Snacks

Please replace as supplies are used

Elementary or Primary Teacher Emergency Kit: Parents/guardian may prepare a teacher kit.

Please place diabetes supplies in small box, with a lid, as a shoe or plastic box, labeling all supplies, and the box, with the student's name.

The School System will provide Biohazard sharp containers.
